

Łamigłówki

1. Uzupełnij magiczny kwadrat. Pamiętaj, że suma liczb poziomo, pionowo oraz po przekątnej musi być taka sama.

8	1	6
3		
		2

2. Odpowiedz, jakie liczby kryją się pod poszczególnymi obrazkami, wiedząc, że suma liczb w każdej kolumnie i w każdym rzędzie jest równa 16.
